AUTHORIZATION FORM REQUEST

Security on the Internet:

Our online ordering system is very secure and ensures that no one can tap into your transmission and use your credit information. However, this does not stop people from entering false information.

This Authorization form is a procedure to confirm the order has been placed by the authorized cardholder. This is an extra security measure we require to protect you, the cardholder, and Tennis Warehouse from credit card fraud. We realize this will take a little more time but the protection it offers outweighs the inconvenience.

The below form is issued to all new customers and will not be required for future orders. (*Previous customers using a shipping address and/or card number different to the one we have on file will be asked to complete a new authorization form.)

REQUIRED INFORMATION:

The following information will need to be emailed, faxed or sent via postal mail before an order can be processed:

1. The name, address and telephone number of the bank or company issuing your credit card.
2. A copy of your credit card (both sides).
3. A copy of your personal identification card or driver's license.
4. The signed credit card authorization form below.
